

Additional Artcare™ Archival Products

To protect art and photography with the very highest level of conservation available, use the complete package of Artcare Archival products. With the comprehensive Artcare System, you can construct layer upon layer of active, age-defying protection to form a pollutant-proof barrier around your customers' treasured artwork.

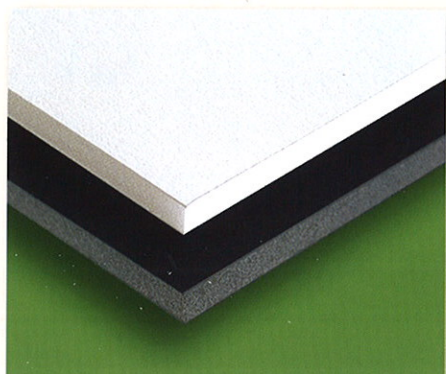

ALPHARAG ARTCARE™

Made from 100% pure cotton pulp, featuring top to bottom cotton fiber, and subject to the most rigorous quality controls, Alphasag Artcare meets or exceeds all industry standards for paper permanence. Alphasag Artcare incorporates the patented and proven MicroChamber® technology to actively protect art and photos from airborne pollutants and acids, thereby offering a preventative conservation protection unachievable with any other rag product. Available in 47 choices of color and thickness, with 21 oversize options, Alphasag Artcare is the finest option for your most precious framing work. To review product availability, please call to request a swatched specifier #BARSP2011.

ARTCARE™ ARCHIVAL FOAMBOARD

Not all foamboard is created equal. Artcare™ Archival Foamboard is the only one that's truly archival. Other foamboards offer an archival surface, but the foam itself gives off the gasses that can fade, damage and deteriorate your customers' artwork. Artcare, with its MicroChamber® technology, absorbs and neutralizes those harmful gasses and will protect the artwork for years to come. Available in white, black, and 100% cotton rag surface, plus heat activated, 100% reversible Artcare Restore.

ARTCARE™ ARCHIVAL FOAMBOARD

Part Code	Width	Color	Size
AC2436.2	1/8"	White	24" x 36"

ALPHAMOUNT® ARTCARE™

Alphamount Artcare is a pure alpha cellulose mounting board that offers superior rigidity and a surface that is ideally suited for hinges and corner pockets. Incorporating the Artcare technology for added protection against external pollutants and internal vices.

White
8732 2 ply 32" x 40"
8734 4 ply 32" x 40"

ARTCARE™ ARCHIVAL CORRUGATE

Artcare Archival Corrugate is an ideal filterboard. Unlike standard corrugate, which is acidic, and other archival corrugates, whose color may not be suitable for all applications, Artcare Archival Corrugate is pure white, features 100% archival-quality components, and incorporates the Artcare technology for protection against environmental pollutant gasses and degradative by-products.

Part Code	Color	Size
8670	White	32" x 40"
8671	White	40" x 60"

All boards available in 32" x 40" • Available in 40" x 60"
