

Customer Purchase Agreement

I (We) promise to pay each invoice in full within (30) days of the date of the invoice, or as specified in terms and conditions of a separate written contract. If, however, this account is not paid as agreed, a delinquency charge shall accrue on the amount of the unpaid balance at the end of the month following the date of the invoice. The delinquency charge shall be computed at the rate of 1.5% per month compounded on the unpaid balance or at the highest rate of interest allowed by applicable law, for loans or forbearance of money, whichever is less, provided said charge shall be computed at a rate of no less than 18% per annum.

I (We) agree to give written notice to Jayeness Moulding Company Inc., via registered mail to either Jayeness Moulding location, 60 days prior to the sale, transfer, or dissolution of all or substantially all of the stock and (or) assets of our business. Furthermore, I (We) personally guarantee debts accrued from the purchase of merchandise or services rendered from Jayeness Moulding Company Inc. If this account is placed in the hands of a licensed collection agency, I (We) then agree to pay you an amount equal to the amount charged you on said collection by such collection agency, not exceeding, however (35%) of the amount unpaid thereon, together with such reasonable attorney fees as may be incurred in connection with collection.

This agreement is governed by Washington State law without conflict of laws. Any court hearing will be heard in either King County (Seattle) or Spokane County (Spokane). I (We) hereby certify that the information provided is true and correct to the best of our knowledge. You are hereby authorized to contact any or all of the references regarding credit status. I (We), the undersigned, understand and agree to the above stated credit terms and policies.
